A new denunciation in
<https://github.com/sagemath/sage/issues/37832#issuecomment-2067128871>

I also note that in
<https://github.com/sagemath/sage/pull/37796#issuecomment-2062095440>
(some of you are participants in this PR already), Pasechnik expresses
that his misconduct in <https://github.com/sagemath/sage/pull/36726> was
justified.
